I am a current Community Sail or Senior Member of Sail Georgina in good standing and have signed the Community Sail Agreement.

My sailing proficiency has been checked by a Sail Georgina Executive member or appointee.

I am able to swim for 100 meters in deep water.

Current and forecast weather conditions are within my ability to sail.

The boat is clean and orderly and there are no boat or equipment deficiencies to report.

I have checked that the boat has the minimum required safety equipment.

I agree to notify Sail Georgina immediately if any damage occurs to the boat while I'm using it, or if any incident involving another boat, person or structure occurs.
